A photograph of three young women studying together in a library. They are gathered around a desk, looking at a laptop. The woman on the left is wearing glasses and a plaid shirt. The woman in the middle is wearing a denim jacket and has headphones around her neck. The woman on the right is wearing a plaid shirt. There are books and papers on the desk, and bookshelves filled with books in the background.

Our Vision is that every person attain the highest score their ability, knowledge and effort will allow, and that no person suffer an unnatural disadvantage due to inadequate opportunity for preparation. This vision, the more it is achieved, empowers individuals to overcome socioeconomic limitations to success, reduces residual bias in the testing process, and leads to better results for test-takers, educators, employers and society at large.
